

**A. F. S. BEGINS
FUND RAISING DRIVE**

The A. F. S. Club of Antioch High School will be beginning a fund raising drive during the week of October 25 to help raise funds to support the Foreign Student Exchange program.

The fund drive will be centered in the Lindenhurst - Seven Hills area.

A. F. S. students will be selling subscriptions to the Antioch News. For each subscription sold the A. F. S. program will receive a nice portion of the amount. The students hope to earn over one hundred dollars on this drive.

**Education Looks Forward
For New Insight**

Schools have become great machines, sorting and labeling those who will be winners or losers as adults. Overwhelmingly, the winners are white and affluent; the losers, too often, are poor, and brown or black and red.

Noting this major problem, educators are calling upon local citizens to help them eliminate the terms "winners" and "losers" by visiting the schools and taking part in a National Education Week activities from October 24 through the 30th.

The dilemma of today's schools with their still too high drop out rates, the minimal learning on the part of many who do remain in school and the growing alienation of the young of all colors and classes will be the focus of this year's National Education Week.

It is the time of the year when the public is urged to come in and see first-hand what goes on in the classroom.

Educators stress that citizens should do more than observe; they should ask questions and give officials the benefit of their recommendations.

The Antioch High School will be open to visitors during National Education Week, October 24th through the 30th, but especially from Oct. 26th through Oct. 29th at a time when school is in session. In the event that you plan to attend, attempt to visit between 10:00 a.m. and 2:00 p.m.

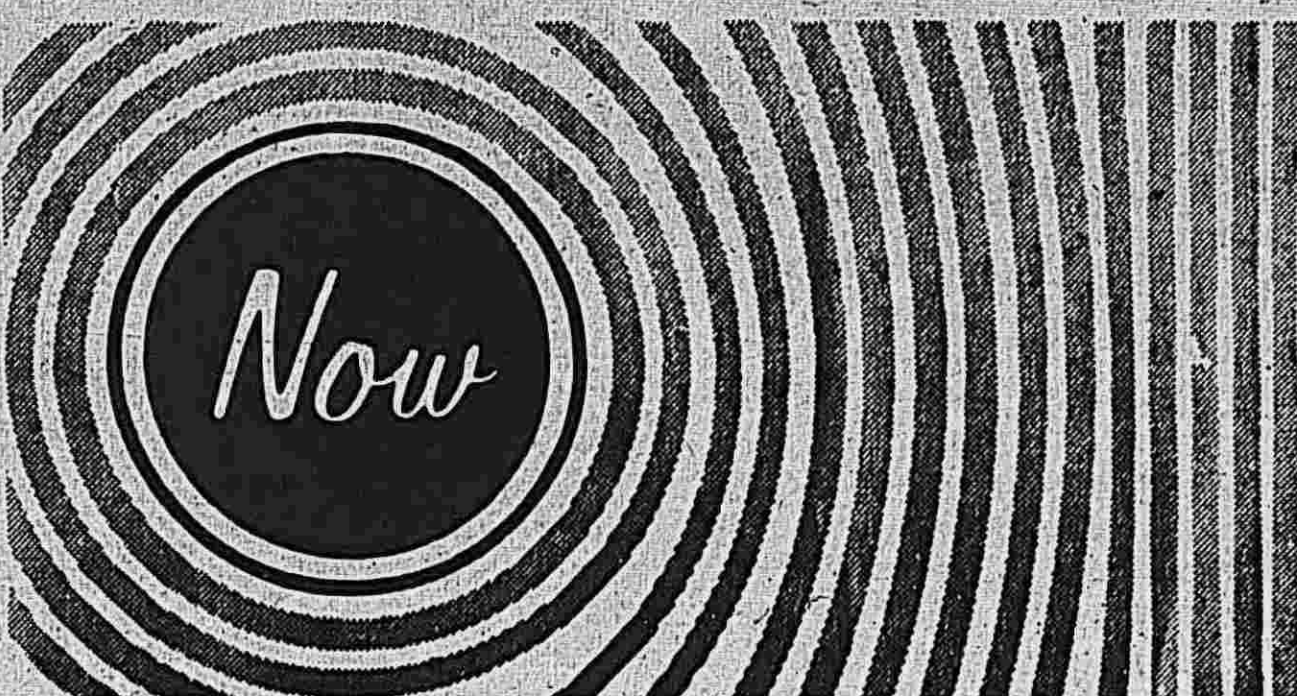

The Antioch Upper Grade School will have their "Back to School" open house on Wednesday evening, October 20th and encourages parents and other interested persons to attend classes during National Education Week or throughout the school year.

The remainder of School District 34; the Antioch Grade School, the Oakland Grade School and the Channel Lake Grade School will hold similar activities throughout the day during National Education Week.

The Grass Lake School will be having parent-teacher conferences beginning at 8:30 a.m. on Friday, Oct. 22, 1971. They also invite the public to visit the school on Oct. 27th and 28th in observance of the Weeks' activities and ask the parents to sign the guest book in the school office and receive instructions to facilities they wish to visit.

Emmons Grade School will be open for parent attendance during the entire daytime hours of National Education Week.

St. Peters School will hold a meeting of parents and teachers on Thursday, Oct. 28th beginning at 8:00 p.m. in the Family Room of the school.

Homecoming is not merely a football game or a dance or for that matter, any individual occurrence. Homecoming is an emotion, a feeling that when present is all directing and encompassing but which fades to a fond, vague memory after it has passed.

Many people will be able to relate, years afterward, the most minute detail of a certain occurrence; be it a date or a parade and yet cannot recall the name of the King or Queen or the score of the game.

On Sunday Homecoming was over; that gay, lively, youthful, carnival atmosphere that found its' hidden-spark and was burned in all of us, has passed. Perhaps to be rekindled in the space of four seasons, perhaps in the quiet glow of a winters fire, perhaps never at all.

The enthusiasm of the direct participants, the high-schoolers, the awareness of the shopkeepers, the mirth of the casual observers has now passed,

to be replaced by a fond recollection that will fade with each passing hour.

Let us now, while it is still relatively distinct in our memories, recall the events that made Homecoming a crazy three day mirage.

Remember, if you will the pep rally, when the cheers never seemed as loud; the bonfire, that in height and emotional pitch easily outdistanced any previous competitor; the parade, which outsparkled even the most grand designs; the game itself when 27 "Little Big Men" played their hearts out for all of us and need feel no shame and last but surely not least the dance, when your date never looked as good, your son or daughter never returned as late.

Yes, Homecoming is over and now a little bit of all of us dies, to be reborn by the next date, the next ballgame, the next parade, the next banquet; that was never as beautiful, never as stirring, never as fascinating, never as emotional, never as.....

Lions Club Sponsors SOS Day

The Antioch Lions Club in conjunction with the Vision Conservation Institute will sponsor SOS Day (Save Our Sight), a vision screening program from 10:00 a.m. to 4:00 p.m., Nov. 7th at the Antioch Community High School.

The free screening and glaucoma test program includes checks for near and far acuity, muscle balance on eye teaming, hyperopia, sterosis, near accommodation, color perception, field of vision and glaucoma pressure.

The test is the first of it's kind to be conducted by mobile unit Lakes Region area. It is given for the purpose of finding unknown causes of glaucoma, which can lead to blindness if the discovery is not

treated promptly. The test is painless and takes only a few minutes to complete. Screening surveys have shown that at least two of every one hundred persons tested are afflicted and unaware of it.

Persons having unsatisfactory checks in the screening will be referred to a doctor of their choice for examination and diagnosis. The screening will be supervised by local doctors, who will administer glaucoma eye pressure tests.

MRS EDNA RATHMAN DIES AFTER RETURNING FROM HOSPITAL

Mrs. Edna E. Rathman 74, of 555 Maplewood Drive, Antioch, died on Wednesday of an apparent heart attack. She had recently been released from the hospital after a two month stay for treatment of a similar ailment.

Upon returning from the hospital she was being assisted to her home by her daughter, Mrs. Elaine Janeski and a daughter-in-law when she partially collapsed. The two women were able to help Mrs. Rathman only as far as the steps. At this point they called the police for assistance.

Officer T. Zelinski responded shortly and seeing that the woman was experiencing difficulty in breathing called the rescue squad. The rescue squad arrived at 3:50 P.M. and realized that the oxygen was having little effect. Mrs. Rathman was then taken to the Antioch Clinic where she was pronounced dead at 4:04 P.M., by Dr. Barnes.

Your Opportunity

There are many problems that are plaguing our school systems today. During this week the theme is "Helping to bridge the gap" between "the winners and the losers" in the educational system.

All too often the average citizen pays little or no attention to the problems of education. For they feel that these problems are for the teachers and school boards to solve, as far as they are concerned. As we of the Antioch News have pointed out many times, no problem or situation that affects our community should be left for a select few to remedy, but should be given the utmost consideration by every person that calls this his home.

Make it a point during this week to visit your school, find out what is going on and see if you can help all you can. Education is too important to be left solely to the educator.

For the last fifty years, we in this country have held an annual event which for the most part, the general public has taken little notice of and even less interest in. The event I am referring to is American Education Week, which is to be held from October 24th to the 30th.

A great man, who not too many years ago laid down his life for this, his country, John F. Kennedy once said, "Our progress as a nation can be no swifter than our progress in education".

How true, when you consider the fact that a great many people are judged and placed in a social level based on the degree of their education. This may or may not be just, but what is important is the fact that the general public pays so little attention to the system of public education that puts a person at a certain level of life.

During the week of October 24th to 30th, educators stress that citizens should do more than just visit your local school. You should ask questions, help schools find answers and not be hesitant about giving recommendations.

THANK YOU FROM ENGLAND

I got a copy of "The Antioch News" dated, Sept. 22nd by Air Mail from Tim O'Connell, Victoria Street and Reeves Drug Store, who is currently recovering from an accident. I was just delighted to read your article about him, and that a fine photograph, he looks so pleased and happy. It must have been great for his moral, and superb of you to get it in when he was ill and needed a good boost. As a friend of his I thought I would write and thank you.

As I read it, I could not help wondering how many more 'Cork-men' live in the states of his generation, but alone and friendless. He is one of the lucky ones.

When he became ill, and could not write himself, Ruth Elliott of Reeves, whom I did not know from Adam up to that, wrote to me on two occasions keeping me informed - To her I am very grateful, and also to all his friends who have his interests at heart, and to all those who remembered his 89th Birthday.

Incidentally, for a local newspaper, I think your paper is very good. The right size, good black print, well laid-out and comprehensive.

Again, thanks for the great surprise I got at seeing Tim's face on page 4. I couldn't be more pleased if it had been my own, and I would not look half as well at half his age. Best wishes.

Kathleen Higgins

HOMEcoming THANKS

On behalf of the Parade Committee we would like to thank all of the merchants, clubs and organizations who wholeheartedly backed the Homecoming Parade.

Because of this great support, the parade was a big success. A special thanks to Mr. Lear, Mr. Blecke, Mr. Polley, and Mr. Corrigan for their advice and guidance. Thanks also to Lyons and Ryan Ford for the use of their convertible, and to Earl Stringer for the use of his jeep.

We hope to see this much response and support again next year. Thank you.

WHAT PRICE FREEDOM?

Monday, October 25th is Veterans Day. It is a time set aside for the nation to mourn those who never returned after answering the call to arms.

Currently the nation is embroiled in a war that none wanted and few understand. The course of history will prove whether we were justified or adventurous, prudent or obstinate. These

Since 1921 there has been a declared "American Education Week". It is sponsored under the auspices of the National Education Association, The American Legion, The National Congress of Parents and Teachers, and the U.S. Office of Education.

This year American Education Week is October 24-30. You are welcome to visit your schools at any time during the school year, but we urge you to make a special visitation effort during American Education Week. Please stop at the building principal's office to indicate your presence before visiting the classrooms.

Not only would we appreciate your visit to the schools, but we would also like to have your comments and thoughts following the visit. Too often, today, it seems that parents and educators tend to act as though they were opponents in some kind of struggle with each other, when in reality all well intentioned parents and educators are often after the same thing -- that which is best for the individual child. Even when we disagree, it is almost always because we are looking at a problem differently, or have different ideas about the solution of a problem, or perhaps cannot even agree on what the problem is.

Let us all spend some time during American Education Week talking with each other and thinking some about the meaning and significance of education for all of our young people. It is time for us, both as parents and educators, to recognize that neither of us are very perfect in our roles; that we make some pretty big mistakes with "our kids"; that there are many things we simply don't know the answers

to; and that maybe the time has come for us to ask some serious questions "together" and acknowledge our mutual frustrations, instead of pretending that each has "all the answers", if only the other side would listen.

Some questions to ponder:

(1) Are we, in some ways, asking too much of our children, too soon, instead of letting them enjoy the fact of being a boy or girl growing up? (2) Are we, in other ways, allowing children too much leeway too soon in their behavioral patterns? (3) Do we have a right to ask the same of all children when we know that all people, little and big, are vastly different in their abilities and in their interests? If we don't think we do have that right, do we know what to do? (4) Why are so many of our children bored with life, both at home and at school? (5) Why is mental illness among young people of school age on a constant rise? and youth suicides? and youth crimes? and drug users? Should we, as parents and educators be doing something different than what we are now doing and, if so, what is that something? At what cost? (6) How much should education cost? There is no question that present costs are high. As a nation, though, can we say the costs of education are too high when we are spending more on alcohol, more on cosmetics and beauty aids, and more on cigarettes and tobaccos than we spend on education.

During American Education Week let us all try to establish a pattern of working talking, and thinking together, with a single purpose -- to do the best that we know to do for the children under our care.

Rotarians Hear Lecture On Drug Abuse

On Monday, October 18th, the Rotary Club of Antioch celebrated its' third birthday with a banquet at the Brave Bull Inn on Rte. 83, North of Antioch.

Special guest speaker for the evening was Mr. Paul Cahill of CBS television. In commemoration of Youth Activity Week, October 10th through 17th, he showed a film which he produced and directed, entitled "Nothing Like It Ever Was".

The title was drawn from a poem by Carl Sandberg and the film depicted a concerned nations attempt to deal with the growing use and abuse of drugs.

Mr. Cahill claimed that in the past officials dealt only with the symptoms of drugs, not the causes. A lack of education and understanding of drugs was one of the primary stumbling blocks to the eradication of the drug problem.

The analogy was offered that much like the distinct and different ethnic, social and religious groups of the nation,

the drug problem cannot be neutralized until basic misconceptions and prejudices are eliminated.

He called for a massive effort toward drug education, so that the fundamental causes of drug dependency; alienation, the need for psychological escape etc., can be dealt with, rather than lingering any longer on the superficial and the obvious.

CONGRESSMAN McCLORY MOVES TO NEW WASHINGTON OFFICE

Congressman Robert McClory (R-12th District) has moved his Washington suite of offices to the Rayburn Building. The Congressman's new office on the fourth floor of this prestigious new House Office Building will place him in close proximity to the rooms of the House Judiciary Committee, upon which Mr. McClory serves. Named after the late Speaker of the House, Sam Rayburn of Texas, this "new," new House Office

Building, was completed in 1965.

Mr. McClory's move is a further indication of Congressional seniority in that Rayburn Building offices are available only to Members who have served five or more terms in the House of Representatives.

Visitors to Washington will find Congressman McClory's office more accessible than when he was located in the Cannon House Office Building and earlier, in the Longworth House Office Building.

Congressman McClory's new office number is 2452 Rayburn House Office Building, Washington, D. C. 20515. His Congressional telephone remains the same (202) 225-5221.

Don and Dianne

Featured in this installment of the Businessman of the Week is Mr. Don Walsh. Don and his wife Dianne are the owners of Walsh's All Season Store in downtown Antioch.

Don, 23, has lived in Antioch all his life. He is a graduate of Dominican College

NT

where he majored in History and was his senior class president. Don taught school for a year before he and his wife took over ownership of the well-known downtown clothing and sporting goods store.

Besides the task of running a business and all that it entails, he is also involved in many community organizations. He is a member of the Antioch Chamber of Commerce, the Lions Club and also is on the Board of Directors of the Hastings Y.M.C.A.

Don's interests are varied but he has a special absorption with sports. He played several varsity sports in college and is also a rabid Black Hawk and Bears fan.

He is currently expending a great deal of time and energy after work to set up a mens recreational program at the Hastings Y.M.C.A. Don feels that the men of the area would greatly benefit from such a program. Besides the very real need to keep fit or loose a few inches from a waistline that has grown from idleness and inactivity, he feels that it would go a long way to keep men from slipping into a complacent attitude about their health.

Service and the personal touch is the key to Don's philosophy of customer relations. Treating individuals with courtesy and attention is not just an approach to be used with his customers, Don takes special interest in all the people that he comes in contact with.

Along the Way with *Annie Mae*

The Sequoia Class of "72" showed lots of S-P-I-R-I-T last week for the Homecoming Activities. Did you notice the huge sign on the roof, along with a "little square house" (pre-Halloween, huh?) dropped off in front of the school Friday Morning?...., with all their efforts, they won the First place for the float competition in the parade, but the Sophomore's won for showing the most spirit, and also second place with their float of "Let's Winnie" Pooh-on the Devils". Lots of hard work went into all the floats, and all followed through with the Disney theme quite well.. Of course no Homecoming is complete without mentioning the lovely Queen, Randi Francke, and her Court..(We won't mention the ball games, as Warren still remains undefeated)..Beat Lake Zurich next week!

A Happy 80th Birthday was celebrated for PAUL FERRIS; Birthday wishes also go to DALE FRASCH, on the 18th of Oct. BETSY SMOUSE blows out the candles on the 20th of Oct. and SHERRI ABEAR on Oct. 24. A very very special HAPPY BIRTHDAY From the staff of the Antioch News goes to DIANE WAGNER who will be 21 on October 26th. She keeps the place jumping on Mondays and Tuesdays.

October 14th was a happy day at the home of CAROL & MAX JESTER, as their first child, a little girl, was born to them...

Our town officials attended the Illinois Municipal League Convention held this past week-end in Peoria...

Congratulations to Jeannine Dow of Antioch who recently became engaged to Joseph Leonhart. A wedding date of Nov. 27, is set...

Our Junior Tackle League, the Vikings had a double victory last Sunday, as they beat St. Thomas of Crystal Lake. The Light-weights won their game by a score of 13-0. The heavy-weights also won; their score was 20-0. The teams play next Sunday at 12:45 at the high school athletic field. Come out and cheer the boys on...

DONNA HARVEY has just pledged to Alpha Delta Pi at Northern Illinois where she is a Sophomore.

Don't forget to visit your school next week, Oct. 24-30, as it is National Education Week...

Get Well wishes to HARLAN WARE, hope you

are on the road to recovery very soon.

Two anniversaries we can't forget are MILLIE AND HAROLD GASTON and also KEN AND BETTY SMOUSE who have had 20 exciting and busy years together.

With the busy Homecoming week now over lets take an extra cup of coffee and catch our breath. We old people really aren't in the swing of decorating floats after a full day's work. But What fun!!!

See ya...

Karen Reports From Spain

¡Hola!

After two weeks of living in a small pueblo in Spain, I am bursting with things to tell about a culture very different from ours.

I am now living in Algaida, not even considered a pueblo really because it's so small, about 20 kilometers from Murcia in southeastern Spain. The temperature has been close to 80 degrees every day, we even went swimming in the Mediterranean one day! The city of Murcia is fairly large and a typical Spanish city it seems. There is a large cathedral (we climbed the huge tower all the way to the top once to survey the countryside), many plazas with fountains and flowers, and outdoor cafes where everyone congregates in the evenings.

But my home is in a completely different setting.

No one knows how old the village is and I wouldn't attempt a guess. However, many homes are actually caves in the sides of the hills.

My home too is partly a cave! My father is the local "panadero", working all night making bread which the women of the village come to our house to buy each morning. The part of our house where the bread is made is a cave; with the immense oven built right into the rock! As I fall asleep each night (on the softest feather mattress imaginable), I can smell fresh bread as it comes from the oven.

I cannot say enough about the warmth of the people here. Everyone has taken me in as part of the village. My sister here is 25 years old, working very hard helping my father and mother. Yet she and the other members of my family have the most wonderful sense of humor. It's no wonder that they have more friends than I can believe. And a very interesting difference in the people here is that they are all friends. In our pueblo it is especially true. You never pass anyone on the street without greeting them!

Although it is different in the cities now, the pueblos retain the cultural restrictions. Young women do not go out alone or on dates. Rather it is the custom for groups of young people to go to dances and cafes and for lots of walks together. Parents care very much about the welfare of their children and are extremely protective. A woman's sole responsibility is to her home and family.

In Spain the state pays for education of the young until the age of 14. After this it is possible to go on only if a family can afford to pay for the education. Therefore it is very common to find very young people working at a profession or in a factory. My father has a young boy of 14 working with him, learning all about the trade which my father loves so much. It is also still customary here for the sons in a family to carry on their father's trade. Since my father does not have a son, he is teaching a boy who comes from a very large family.

Food is yet another story! I'm afraid there won't be a plane big enough to carry me home! Besides the delicious fresh bread my father makes, all of the food we eat here is fresh. In two weeks I haven't eaten anything from a can or box. Each day I have breakfast of coffee (with lots of milk) and cookies. Then about 2 p.m. we have the big meal of the day.

This meal begins with a large bowl of salad. It is the custom of Spain for everyone to eat from the same salad bowl! The main course is usually rice and fish or potatoes and meat. Being close to the sea we eat lots of shrimp, squid, snails and fish. All of the food is prepared in olive oil and there are lots of fresh vegetables: peppers, beans, onions.

And of course with the meal there is lots of bread and wine. I've also had to learn to eat all over again. It almost seems that one must have a piece of bread in one hand, a glass of wine in the other - and eat the meal at the same time. And besides, meal time is a very social time,

and everyone is talking while eating!

At about 9 p.m. we eat again. This is supposed to be a light meal - often an omelet or sausage and cheese - and again fruit and bread.

These are the three official meals but there are many other times we eat each day. About noon we'll often eat a snack and of course in the evening there are the Cafes. Cafes in Spain serve many types of drinks; coffee, beer, wine as well as small plates of many types of food. Cafes are for everyone, and if you don't care to eat or drink, no one will ask you to leave. Also, the children drink wine and beer all of their lives!

The terrain here is unbelievable. From the roof of my house, I can see mountains, valleys, plains, a small river and lots of fruit trees. The homes here are small and very old but that makes them even more picturesque. Most have red tile roofs and many have small balconies with potted flowers. Each family has a few chickens and rabbits for food and often a goat or pigs.

Travel here is very different. I've never seen so many motorcycles in my life. My father even uses a motorcycle to deliver bread. Very few people can afford a car and the roads are very bad; impassable when it rains.

Although people seem to be moving away from the pueblo style of life, those who live here are very happy. This is the Spain of days and years gone by and I'm learning things that I couldn't ever have imagined without living them.

Wheels in Motion For 3rd Annual St. Peter's Dinner Dance

Wheels have been set in motion for St. Peter's Third Annual Dinner Dance. The Tony Ritacca Orchestra is scheduled to play, and the many committees have been set up.

Chairmen are: General chairman-Richard Daniel, Ticket Sales-Dan Dugenske & Elmer Zimmerman, Ad Book-William Bar & Cliff Randall, Decorations-Betty Mentone & Henrietta Albergo, Bar-Sam Lombardo, Set up-Charles Forester, Food-Kathryn Wells, and Publicity-Shirley Gutowski.

A special ad book is being compiled again this year, and many volunteers are out procuring the ads.

Father A. J. Henderson is encouraging everyone to attend this affair. All proceeds will go to support St. Peter School. In light that no State Aid was secured this year, it is of the utmost importance that funds be raised to keep the school open. Tickets will be on sale shortly, so mark the date on your calendar now. **NOVEMBER 20, 6:30 P.M.** at the St. Peter Social Center.

PM&L "First Nighters" Describe "The Price" As -Having Meat

PM&L opened its eleventh season Saturday night, Oct 16, with Arthur Miller's **THE PRICE**. The play will run 2 more weekends - October 22, 23, 29 and 30.

THE PRICE, directed by Geraold Pettera, is a challenging undertaking for PM&L, a much more serious production than is often attempted by a Community Theatre group. The opening night audience accepted it well with the often heard comment "that really gives you something to think about."

Outstanding performances were given by all four cast members. Nick Baldassano from Lake Villa plays the policeman, Victor Franz, who sacrificed his education and a career as a scientist to care for his ruined, invalid father. Don Beveroth from Paddock Lake, Wis., turns in a fine portrayal of the eminent surgeon Walter Franz, brother of Victor, who walked out on the demands of

family to concentrate on medicine and personal success.

Shirley Kramer from Spring Grove is Victor's wife - caught up in a life of self sacrifice, striggle and disappointment. Tom Hausman, from Lake Villa, is a never to be forgotten "almost 90" year old used furniture dealer who supplies much humor, philosophy and character to the plot.

Special mention must be made of the superb set executed by Hank Apostol, Susan Allen and the entire cast. The play takes place in the attic of the family home where the old furniture, all that's left of a former life, is stored awaiting disposal.

Season tickets may still be purchased at the door for \$7.50 for the four shows of Season 11. General admission is \$2.25 with a special student rate of \$1.00. Please call 395-9702 for reservations. Seating is limited.

"Come Blow Your Horn" IT'S Funny!

There are differing opinions on just how significant the work of Neil Simon is in the total context of American Theatre. But there is no question about the Antioch Country Club's production of Neil Simon's **COME BLOW YOUR HORN** - its funny! Awfully, awfully funny!

The Troupe, the country club's resident acting company under the direction of J. J. Butler, has put together a finely balanced cast in a fast paced production of this early Simon work.

Leigh Porter turns in a fine, sharp performance of the swinging older brother, Allen Baker, and is nicely balanced off by Mike Hughes as the introverted younger brother, Buddy Baker. Mike is a newcomer to the Troupe, but area theatre goers will remember him as Don Quixote in Waukegan Community Theatre's outstanding production of *Man of La Mancha*. More recently he appeared in the Goodman Theatre's production of *Lady Audley's Secret*.

Lillian Allen and Manny Silverstein are truly outstanding as the parents caught up in this hilarious parody of the generation gap - and go a long way in explaining why the gap exists. It would be hard to imagine a more imposing "Papa" than the one Mr. Silverstein creates - to see him is to love him.

Pam Guardi, a local Antioch

girl, makes her debut, and a very nice one at that, in the role of Peggy the mixed up sex kitten.

But I've saved my favorite for last: Susan Adams as Connie. The role is a limited one and is generally not exploited - But Miss Adams made the part her own and raised it from a near walk-on to a really memorable characterization. Susan is not as beautiful a girl as you expect in the part, but she has that rare ability to light up a stage by her mere presence - and the longer she's on stage the prettier she becomes. She's just exactly what a nice Jewish mama would want for her son.

I just wish The Troupe would slow up a bit and let the audience play along with the show. I had the feeling at times that I had to hold on for dear life in order to keep up with the action on stage.

The Antioch Country Club has a strong show, and a fine cast which adds up to an evening of fine entertainment.

MOMS OF TWINS GO "TREATING"

The goblins and witches will be out in force on Thursday, October 21st when the Lake County Mother's of Twins Club meet in costume at the Y.W.C.A., 445 North Genesee for their annual Halloween party at 8:00 sharp.

Along with fun and games, the moms will be making treats for their children to pass around while visiting various Nursing Homes throughout the County. The children will be dressed in costume and go "treating" on Thursday, October 28th. We have had such tremendous response the past two years, that this has become one of the yearly projects. The children and the "older folks" really enjoy this time of sharing.

Also, Lake County M.O.T.C. will be holding a Bake Sale on Friday, October 22nd from 10:00 to 3:00 at Goldblatts in the Waukegan Shopping Plaza.

Rain Dampens Lion's Candy Day

In spite of the inclement weather, the Lions and volunteer workers were out early Friday morning giving away candy rolls for contributions in the Candy Day tills. The rain lessened the contributions in the canisters, falling short of the \$800,000 goal statewide.

A.G. Marcheschi, of Niles Illinois, Lions State Candy Day Chairman, reported that the Lions will have to exert extra effort in order to raise the additional funds to support the projects helped by Candy Day collections.

"Based on early reports, we are down approximately 10 percent from last years total of \$700,000."

Facilities dependent upon Lions support are: the Hadley School for the Blind, Winnetka, Illinois and The Leader Dogs for the Blind, Rochester, Michigan. The

Lions also contribute to the Illinois Society for the Prevention of Blindness, Illinois Camp Lions for Visually Handicapped Children, Dialogue, a recorded magazine and a variety of community activities for the blind and Sight Conservation Programs.

"Today's sluggish economy was another important factor in the decreased contributions," Marcheschi said. "However, the public did contribute with their usual enthusiasm."

Down through the years, more than \$6,000,000 has been collected and distributed to help the blind in Illinois since the Candy Day program began in 1952.

Next year, Lions Candy Day is scheduled for Friday, October 6th, with a hope and a prayer for a brighter day than was experienced the last three years.

LIONS INSTALL NEW MEMBERS

Homer LaPlant installed several new members in the Antioch Lions Club on Monday, October 11th. They are: Frank Rhode Joe Rush, Jim Walsh, John Slatner, Ken Higgins, Don Morris, Harry Lindgren, George Hackbush Bob Pedersen and Paul Eckert.

GARDEN CLUB TO MEET

The Antioch Garden Club will meet on Monday, October 25th in the Recreation Room of the Antioch Savings and Loan Building at 12:30 p.m.

The program on African Violets will be presented by Mrs. Miller. Hostesses will be Mrs. Howard Wells and Mrs. Clarence Klentz.

MARY ELLEN OSMOND IN RUNNING FOR WESTERN'S HOMECOMING QUEEN CONTEST

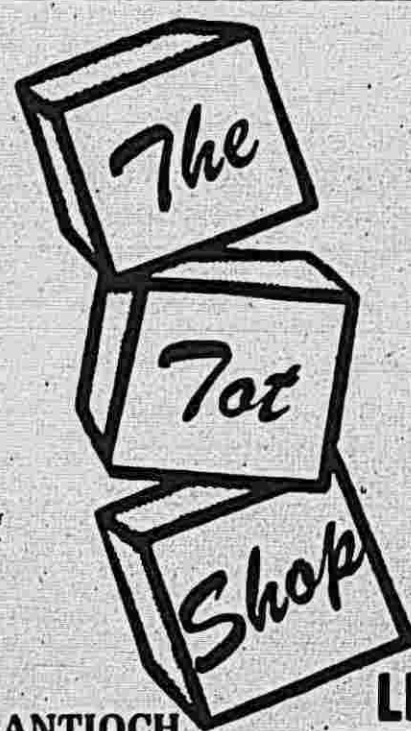

Mary Ellen Osmond of (976 Hillside Ave.) Antioch has been selected as one of the five finalists for the 1971 Homecoming queen title at Western Illinois University.

WIU students will vote for the candidate of their choice on Monday, Oct. 18; the polls will be open from 9 a.m. to 4 p.m. in the University Union and Sherman Hall, and from 4:30 - 6 p.m. in the university residence halls.

The queen will be introduced at the Homecoming pep rally, yell-like-hell contest and fireworks display beginning at 7:30 p.m. Thursday, Oct. 21, at Hanson Field. A pep dance will follow in the Union.

She will reign over all of the Homecoming weekend activities; this includes the annual Homecoming Dance at 9 p.m. Friday, Oct. 22, in the Union; alumni coffee hour and parade Saturday morning, Oct. 23; the football game with Illinois State University at 1:30 Saturday afternoon; and the 8 p.m. Ike and Tina Turner Concert Saturday in Western Hall.

Miss Osmond is a senior majoring in elementary education and the daughter of Mr. and Mrs. Bernard Osmond. A 1968 graduate of Antioch Community High School, she is being sponsored by her Alpha Sigma Tau social sorority.

Brave Bull

If family style dining in a Spanish-Moorish atmosphere is your choice, you need look no further than the BRAVE BULL Restaurant.

The caricature of the BRAVE BULL stands vigilant not to brave the matador or the conquistador but to invite the wayfarer and the hungry to the stylish hacienda of Pat and Jackie Patula. The friendliness, the peace and the Spanish hospitality with the excellent cuisine, provide the luxury desired.

Located 1/2 mile north of Antioch on Rte. 83, the BRAVE BULL features steaks made to your personal culinary tastes, a fine selection of sea food, imported and domestic wines and a relish bar, well-stocked with home made favorites.

Friday is a special occasion at the BRAVE BULL. Featured on the bill-of-fare is an appetizing selection of inexpensive fish specials, that have proven extremely popular in recent years.

The owners, Pat and Jackie Patula, have operated the BRAVE BULL for eight years and have enjoyed serving the community.

The Patulas' are transplanted Chicagoans, who moved north to find the clear skies, fresh air and open spaces lacking in the "Windy City".

American Legion Auxiliary News

Junior members of the 10th District American Legion Auxiliary have an exciting evening planned for October 22nd, beginning at 8:00 p.m. when they will leave the Rocking "C" Stables on Grand Avenue, Lake Villa, for a hayride party. Afterwards, they will enjoy a big bonfire and refreshments, served by the Lake Zurich Juniors. According to Mrs. Ray Rathman, Antioch, District Junior Activities Chairman, ALL Juniors in Lake County are welcome to attend this party.

There will be a joint meeting of all post commanders, unit presidents and their respective children and youth chairmen of the 10th District American Legion and the Auxiliary at the Homer Dahringer American Legion Home in Waukegan, on October 24th, at 2:00 p.m. District co-chairmen John Jones, North Chicago; and Mrs. Louis Thompson, Waukegan; state that first on the agenda will be the planning of the annual Caravan. This Caravan will be held in early December, when "gifts and goodies" will be distributed to the children of Lake County Children's Homes.

It was learned at the recent state children and youth conference, held at the Illinois Sailors and Soldiers' Children's Home (ISSCS) in Normal; that Harbord Cottage, co-sponsored by the 10th District Legion and Auxiliary for many years, has now been designated as an "Honor Cottage". Harbord

Cottage has been extensively remodeled and refurnished, and will now house only high school seniors and their house parents. These seniors must maintain high standards, take care of the cottage and themselves.

Usually, each cottage houses 14 or 15 children. Since there are 22 Units in 10 District Auxiliary, an impartial drawing is held determining what Unit can sponsor a child. Since Harbord Cottage now has older children, another drawing will be held at this meeting.

The ISSCS authorities have decided that they prefer large gifts for each cottage, instead of individual gifts for the children. However, Units sponsoring the children, do give personal gifts.

While at the state conference, the members saw the film, "Community Action Against Drug Abuse", narrated by Loren Green, well known television performer.

Representing the 10th District Auxiliary at this state seminar were Mrs. Joseph Hogue, Waukegan, District President; Mrs. Herbert Gleason, Libertyville, 2nd Division children and youth chairman; and Mrs. Louis Thompson.

All commanders, presidents and their children and youth chairmen are urged to come to this October 24th session.

Expected to be in attendance will be Mrs. John W. Horan, Antioch Unit President, and Mrs. William Dowden, children and youth chairman.

At the October 4th meeting

of the Antioch American Legion Auxiliary, held at the Antioch American Legion Home, Mrs. J. W. Horan, President, conducting the meeting. It was voted to send a \$5.00 donation to the Antioch Rescue Squad, in memory of Herman Rehberg, deceased legionnaire. His widow, Mrs. Rehberg, has been a member of the Antioch Unit for many years.

A catered dinner was held at St. Ignatius Episcopal Church on October 9th, for all the volunteer workers of the Antioch American Legion and the Auxiliary, their husbands and wives, who had given of their time and efforts to make their annual Carnival a successful affair. After dinner, card games were played.

The next meeting of the Antioch American Legion Auxiliary will be held on Monday, November 1st, at 8:00 p.m., at the Antioch American Legion Home.

The Charter will be "draped" in memory of Mrs. Edna Rathmann, veterans craft chairman, who died suddenly on October 13th. All who knew her, will be saddened by her death.

It is hoped there will be a good attendance of members as there are many important items of business to be transacted.

SOCIAL NOTES

by Del Jahneke

Two pleasant surprises were in store for Mrs. Robert "BEP" Pauletti, Grass Lake Road, last week. Some 15 friends surprised her with a lovely baby shower, in honor of her new son, Bruce Eugene, born a few weeks previously. This took place October 6th, with baby Bruce receiving many attractive and useful gifts. Hostesses were Mrs. John Handschlegel and Mrs. Robert Dunlap, Jr. A few days later, Bep's sister and her husband, Tina and Wil Neyenhuizen, unexpectedly arrived from Nymegen, Holland, for a three month's visit. The Neyenhuizen's say they love the friendly Americans, and cannot quite yet visualize what an enormously large country we have! WE WISH THEM A HAPPY VISIT!

Congratulations are in order to the Model A Chain-O-Lakes "A's" Club, who will be receiving a national trophy for their membership gain. The National President will be coming from California to present this trophy at a dinner party, to be held at The Iron Kettle, Wilmot, Wisconsin, on October 30th.

District officers were honored at the October 6th meeting of Lakeside Rebekah Lodge No. 82, held in the Antioch American Legion Home. Distinguished guests were Mrs. Charles Ferris, Antioch, District President; Mrs. Margaret White, Libertyville, District Vice President; Mrs. Walter Buchert, Antioch, District Secretary; and Mrs. Tressie Hoffman, Crystal Lake, District Junior Past President. The meeting

was conducted by Mrs. Clarence Larson, Noble Grand. Six members of the Lakeside Lodge attended a delightful reception for Mrs. Jeanette Mott, State President of the Wisconsin Rebekah Assembly. It was held October 9th, at the Badger High School at Lake Geneva. Mrs. Charles Ferris, Mrs. Walter Buchert, Mrs. Ida Wysoglad, Mrs. Clarence Larson, Mrs. Shereen Jones and Mrs. John Hagen were the ladies present from the Antioch Lodge. These same six members helped in the celebration of the 85th Anniversary of the Vespers Lodge of Wilmette, held in their Oddfellows Hall, on October 13th. A large group was at this anniversary party from Antioch, Highland Park, Libertyville, Waukegan and Evanston Rebekah Lodges.

Mrs. Leonard Hironimus, Petite Lake entertained nearly a dozen ladies at a Tupperware party, held at her home, October 13th.

Sincere sympathy goes to the Ray Rathmann family, Oakwood Knolls, in the sudden death of Ray's mother, Mrs. Edna Rathmann, on October 13th. She will be deeply missed by all who knew her.

Door County in all its charm of autumnal glory was viewed by the senior Ed Jahneke's, Beach Grove, for three days last week. Scarlet, gold, wine and brown, intermingled with the dark green firs and white birches made every grove of trees a scenic splendor. Contrasting with deep blue waters of Lake Michigan and high rocky bluffs, were the neat white houses of the small towns nestled in the valleys - it was Green Bay Peninsula at it's most beautiful! The Jahneke's stayed at Gills' Rock this trip, at the very tip end of the peninsula - enjoying hearing the rhythmic lapping of the waves on shore, some twenty feet below their motel. While eating breakfast at the Shoreline Inn, they watched a huge semi-oil tanker loaded on the car ferry that goes to Washington Island. According to local residents, that tanker will be providing the heat for all the homes, school, church, etc., for all the people on the island this winter.

A brief stop at the Horicon Wildlife Refuge on their return trip was highly rewarding. The thousands of wild geese and ducks either feeding in the marshes or flying in the air were a thrilling sight to see! Nearby Wisconsin has much to offer everyone!

SALEM SCHOOL BOARD MEETING

Oct. 12, 1971

State aids are upper most in peoples mind in Wisconsin because the state budget has not been approved. Salem would receive approximately \$48000 in state aids with the new budget. If not approved, it would amount to \$43,000 about a \$5,000 loss in aids. The board moved to stay with in our budget as approved in July.

A program for six through eighth grades on drug abuse was approved. This would meet in the evening and should include parents if they wish to come. The program will take place in November.

The board also approved a Title I program which will help the students who have visual and motor ability problems. Children to be helped in this program will be the kindergarten through second grade.

SEQUOIT SMOKE STACKS

This week at Antioch High certainly was a spirited one. Everyone was busy working on floats, making signs, and painting windows as part of the competition to show their spirit. The SENIORS spirits got dampened slightly when their unmentionable object was ordered out of its resting place in Circle Drive. They had just as much fun moving it as putting in there though, so everything turned out alright. There was an awful lot of cheering in the cafeteria too, and if you are wondering who that masked Indian was up there leading a few of the cheers ask BILL SEVERSON, he should know. When all the points for Spirit week were added and deducted the SOPHOMORE class came out on top as the one with the most spirit.

The TOM-TOM put out its first issue, the homecoming issue, on Friday. Among its regular features was a new one called "Whats Your Hang Up?" where they try to get the kids to speak out on whats bugging them.

The "World of Disney" homecoming activities began

Friday night with a pep rally followed by the traditional bonfire and sock hop. Tyrone Walls gave a pep talk at the rally and Rick Johnson ran the sock hop.

Disney went on parade at 10:00 Saturday morning. There were a lot of entries from the townspeople as well as from the clubs at the high school. The SENIORS float of Pinocchio followed by a whale won first prize and the HEALTH CLUB'S car decorated with all sorts of Disney characters won first prize in the car division.

The only disappointing part of homecoming was the football game itself. Unfortunately our SEQUOITS were not able to handle those Warren Blue Devils as they got beaten pretty badly by them. The afternoon wasn't a total disaster though, a lot of old friends of Antioch were seen such as MARY WIECZOREK and CHIP GROSS who came back to crown the new King and Queen and the band and the color guard entertained with their marching. Some of the floats and cars were also displayed during halftime.

The new boy's gym was turned into the World of Disney Saturday night for the dance. Disney characters were all over with Mickie and Minnie mouse heading the thrones. Coronation was held at 10:30 p.m. with the Queen RANDI FRANKE and King JIM MIHOVOLIVICH heading the court. It was a fanciful evening that won't be forgotten I'm sure.

Well see you next week.

Ray Enzenbacher would like to take this opportunity to thank everyone for the cards and many visits while in Downey Veterans Hospital. He is very thankful for everyone's thoughtfulness and for being home with his good health intact after a five week hospital stay.

Harlan Ware, principal of the Antioch Grade School is a patient at Victory Memorial Hospital recuperating from surgery last Friday morning. Get well soon Harley as they really miss you at school.

Happy belated birthday to Janet Bjork who celebrated her eighth birthday with 15 friends on Friday, October 8th.

Also, happy birthday to Ceanna Portalski who blew out 23 candles last Friday October 15th. Cee, along with fellow employee Gail DeVore were the

guests of their boss, Clare Merryman for dinner Friday at Lorenz's. Both girls celebrate their birthdays within two days of each other.

Don't forget the Back to School Nite on Wednesday, October 20th at the Upper Grade Center. All parents are welcome.

John and Marg Runyard and son's Doug and Tom along with Rich and Kathy Behrens returned Sunday from a deer-hunting trip to Wyoming. The men came home happy as they did not return empty handed.

The Channel Lake PTA held its first meeting Tuesday, October 12 with a good attendance to participate in the Back to School Nite. Refreshments were served after the meeting by the Kindergarten mothers. The next meeting will be the Christmas program in December.

This reporter was one of about 200 guests that attended the open house of the Antioch Humanistic Society, Inc. at the home of Tom and Charlotte Smith on Linden Lane, last Sunday, October 17th. The open house was very enjoyable and very enlightening to the goals of this new society. The Antioch Humanistic Society is offering you the people a chance to find involvement and excitement in building "people helping people" programs. The Society is a state chartered, not-for-profit corporation with stated purpose being to sponsor, support, develop and operate programs of human problem solving and developmental enrichments in the Chain-O-Lakes area. The Society was founded by a local group of concerned citizens who realize the need for help in human problems and the needs of the people of Northwest Lake County. Anyone interested in further information about the Society and its goals may get it by phoning 395-5701.

That's all for this week, let me know the news.

Christian Science Churches

True life and goodness have no end, according to the Bible Lesson-Sermon on "Probation After Death" at Christian Science churches Sunday.

One of the passages to be read from Psalms affirms: "Thou wilt show me the path of life: in thy presence is fulness of joy; at thy right hand there are pleasures for evermore."

A hint of what this can mean in terms of today's life style is given in this citation from Science and Health with Key to the Scriptures by Mary Baker Eddy: "Life and goodness are immortal. Let us then shape our views of existence into loveliness, freshness, and continuity,

rather than into age and blight."

Services begin at 11 A.M. at First Church of Christ, Scientist, Beacon Hill, Rte. 173 and Harden, Antioch. All are welcome.

HUMAN RELATIONS PROGRAM BEING TESTED AT ST. PETER'S SCHOOL

Two years ago St. Peters School was involved in a pilot study conducted by Children's Memorial Hospital to encourage and support good mental health. The school has been invited to join the Hospital in a developing research program.

This year a team from the Child Guidance Clinic at Children's Memorial Hospital, is investigating the use of a human relations program designed for fourth, sixth, and eighth grade pupils. The program asks children to consider some of the common problems that all youngsters face as they grow up. Students are urged to discuss appropriate ways of handling these everyday kinds of difficulties.

The program itself is under development as a part of a five year research project funded by the National Institute of Health. The previous two years have been spent in developing specific materials that deal

with the themes of friendship, honesty, getting along with adults, and how people form a self-concept. It has been widely used in ten different school districts in the metropolitan Chicago area.

In order to judge the effectiveness of the program, tests will be administered to the students on two occasions; mid-October and mid-May. Individual students are not required to enter their names on the testing materials and all information gathered is held in confidence. Teachers and other school personnel do not have access to individual pupils' testing materials.

Teachers and students working in the project were well-pleased with the assignments and activities in each unit and felt personally enriched as a result of being involved. The teachers of the participating students have met with the Child Guidance Team and are prepared to begin the program in early November.

FREE CHURCH HOLDS NAE OBSERVANCE

On Reformation Sunday, October 24, the Antioch Evangelical Free Church at Tiffany Road & Highway Drive, Antioch, will call attention to its role as one of the 38,000 member churches of the National Association of Evangelicals. The Rev. Bernard C. Fosmark, pastor of the church, reports that the theme for the NAE observance will be "Unity in Action." His sermon topics for the day will be "Unity, The Word, and The Evangelical" and "Doing More Through Love." These services are held at 11:00 A.M. and 7:00 P.M.

More than twelve million Bible-believing Protestants are served by the NAE, including more than 34 denominations and conferences and hundreds of churches from other groups. Services of the national organization which began in

1942, include world relief, public affairs, welfare, Sunday school promotion and the emphasis of evangelism and church extension. Dr. Billy A. Melvin, executive director, heads the national office which is located at Wheaton, Illinois.

General Director of NAE is Dr. Clyde Taylor of Washington, D.C. He also heads the affiliated Evangelical Foreign Missions Association which represents the interest of more than 62 mission boards and more than one fourth of the Protestant foreign missionaries from this country.

The cooperation between churches through NAE is based upon acceptance of the Bible as the written word of God, infallible and authoritative. Six other basic concepts of orthodox Protestant belief are also included in the NAE Statement of Faith.

LAMBS HOST OLD FASHIONED NEW ENGLAND CLAMBAKE

An old fashioned New England Clambake will be held on October 24 at the Lambs Farm, Tri-State Tollway (I-94) and Route 176, from noon until 5 p.m.

John Ray Earle, gourmet columnist will preside over the food and entertainment festivities which will include: Steam baked, French Fried and Cherry Stone Clams; Creole, Jambalaya, Roasted Chestnuts, Maine Fish Chowder, Boston Baked Beans, Roasted Bananas, Hot Cinnamon Fry Cakes, and

Homemade Apple Cider. These New England delights will be prepared by the Executive Chefs of Illinois. There will be hayrides, fall flower booths, and pumpkins, gourds and Indian Corn for sale.

A special attraction will be an old fashioned barn raising. Master craftsmen from the Alexander Construction Company will raise a new barn in the old frontier pioneer fashion. The barn will house Arts and Crafts facilities. It is a gift to the Lambs from Chicago

area Kiwanis Clubs. Participating in this event is the Chain O' Lakes-Antioch Kiwanis Club.

Admission and parking are free.

The Lambs is a private, non-profit organization providing semi-protective employment for mentally retarded adults living within the Chicago metropolitan area. Proceeds from the Clambake will be used to match a challenge contribution from W. Clement Stone.

Brownies Ready For Investiture Puppet Show

Brownie Troop No. 138 from Oakland Grade School is active again this year. The girls are working on a puppet show, which they are presenting at their investiture. They have made their puppets, decorated a puppet theatre and they are busy learning their parts.

The girls being invested into Troop No. 138 are: Carolyn Belter, Beth Doerrfeld, Michelle Flynn, Susan Gilson, Kerry Kellogg, Tammy Koeller, Natalie Lorentz, Susan McGeeney, Sherry Olander, Hallie Sanford, Theresa Schintgen, Rebecca Schletty, Joy Stowell and Wendi Weber.

The investiture ceremony is going to be held October 26th. Troop No. 138 will also present first year membership stars to: Chris Belter, Debbie Chasar, Helene Noethling, Cheryl Thamerus, Colleen Whitney and Peggy Wegel.

LANCE BUCHTA- IS SEQUOIT WARRIORS PRESIDENT

At the Sequoit Warriors first 4-H meeting of the 1972 year, the members elected the following officers: Lance Buchta, President. Jimmy Springer, Vice Pres. Jim Nachowicz, Secretary, Rick Larsen, Treasurer, Tom Hevrds, Reporter, Mike Calthamer, Recreation Chairman. John Davis was selected as a Junior Leader, he will assist Allison Hevrds, who has been the boys leader for the past two years. The boys also made some plans for their coming year. Several tours will be taken, a paper drive in April, also a fishing derby. The boys chose what projects they will carry during the year. Some are: Wood-

Rick Magee Is Coloring Contest Winner

Ricky Magee aged 4, of Antioch, was the winner of the coloring contest held recently at the Shoe Box. The contest was open to all youngsters up to twelve and was sponsored nationally by the makers of

Hush Puppies.

For his efforts, Ricky was rewarded with a 24" bicycle. By winning the local contest, Ricky is now eligible to compete in the national contest, with the grand prize, a free trip to Disneyland.

The November 1st meeting will be at Lance Buchta's home after school. Their activity will be a slide show on camp Shaw-wa-na-see.

Comment on water filled mattresses.

If mattresses are filled with water and called water mattresses, what if they were filled with beer, would they be called foam?

Ski Whiz

DES MOINES, Iowa-Massey-Ferguson's Formula IV is one of two additions to the company's Ski Whiz snowmobile line. The machine features a 37 h.p., 440 cc engine with dual carburetors. Like the Formula III, this new model incorporates several safety features including emergency manual cut-off button near the throttle, rear side reflectors and steering column crash pad. Both additions to the line also have snow flaps and a new paint scheme.

ANTIOCH HIGH SCHOOL P.T.A.

The Antioch High School PTA has a lively schedule of meetings to present to the public. Starting off the season, was "Back to School Nite" held Oct. 6. Many parents came to inspect the new Gym as well as meet the teachers.

The Nov. 3 meeting will be held at 8:00 P.M. The evening will offer 4 features. The first session consists of an explanation of the tests which are given to the Juniors. The second session, parents of sophomores will find out if

their son or daughters curriculum is in order for the goals they hope to reach after graduation. The third feature will be guided tours of the school. The fourth session will be a simple explanation of the problems involved in the teacher contract negotiations.

At the conclusion of the meeting, refreshments will be served. Keep informed, join and attend your PTA Organization.

For any additional information, these officers can be contacted:

President: Alan Knutsen - 395-1503
Vice-President: Mary Chase - 395-1575 Secretary: Marian Dobslof - 356-5019

ANTIOCH GRADE SCHOOL P.T.A.

The Antioch Grade School P.T.A. officers exhibited their culinary prowess Wednesday, October 6th. This was the date for the annual teacher-room mother tea. The officers served as hostesses, and made sure everyone's sweet tooth was filled with "goodies", while teachers and room mothers discussed plans for school parties and field trips for the coming year.

October 12th was the beginning of a new project, in which several willing workers donned paint clothes and made a creation. It started as a weathered hayrack; but with lots of work, TAPE, and a bit of imagination, it became the domain of the chimney sweeps of jolly old England of Mary Poppins fame. We were fortunate to have several fifth grade students portray chimney sweeps to add authenticity to our slogan - "Let's Make a Clean Sweep". And thus we participated in the Antioch Homecoming parade, October 16.

This year's P.T.A. yearbook was professionally printed and donated by Mr. Gerald Risch. It encompasses everything from rules, officers, school personnel, to calendar of events and the proposed budget. Every member should keep this handy book in a convenient place as a reference for the 1971-72 year.

At the close of October (designated as membership month), we are striving to top last year's enrollment; and looking forward to a worthwhile and successful year.

CHANNEL LAKE P.T.A. NEWS

The first Channel Lake P.T.A. meeting was held October 12th and was a great success. Many parents turned out for the Open House and room visitation. Refreshments were served by the kindergarten parents and enjoyed by all.

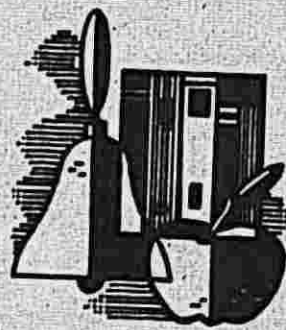

A big thank-you to the local girl scouts for their babysitting services. It was appreciated by all those with little ones.

The Room Award, given to the grade with the highest percentage of parents attending, was won by the First grade and accepted by their teacher Mrs. Betsy Houghton. So parents, if your child wants the Award for his or her class, you will have to make the meetings. The Award is the mascot Yogi Bear and \$5.00 which can be spent by the teacher on anything for the room or class.

There will be a Christmas Bazaar at Oakland which our P.T.A. is going to participate in. It will be held Sunday, November 21st. Please start making your arts and crafts because the time is flying swiftly. Watch for further information and any questions will be answered by a phone call to any of our P.T.A. officers.

TEACHER INSTITUTE DAY

October 22, 1971 has been declared a Local Teacher Institute Day for the Antioch Schools by James Flood, County Superintendent of Schools. A General Session will be held in the morning, followed by Grade Level meetings where the teachers will relate their instruction to the material needs of the classroom. The afternoon will be spent at the local building level with the staff and principal determining their instructional materials needs at the overall building level.

JOHN SIZEMORE SPEAKS AT OAKLAND PTA MEETING

The Oakland Grade School PTA held its first meeting of the school year on Monday, October 4. A brief business meeting followed the buffet dinner. About 120 persons attended. Special guests, school board members, school administrators and their wives were introduced by PTA President, Mrs. Ralph Montrimas. Mr. Ronald Marten, Oakland Principal, introduced the teachers present at the dinner. Following the business meeting, Mr. John Sizemore, Director of Insearch, in Waukegan, talked about Parent-Child relationships and how to avoid falling into some of the patterns which cause stress between parent and child or teacher and child. A question and answer period followed the program.

Plans for Oakland PTA's Christmas Bazaar are well under way. The Bazaar, scheduled for Sunday afternoon, November 21, will begin at 1:00 p.m. at the Grade school. Antioch and Channel Lake PTAs will also be participating in the Bazaar. Antioch PTA is planning a bake sale, and Channel Lake PTA will be in charge of refreshments. All money earned will go to the individual PTAs.

Oakland PTA has scheduled several workshops for the Bazaar. October 20, paper mache

figures will be demonstrated, and October 21, sugar molding will be done. These workshops will begin at 7:30 p.m. at the Antioch Rescue Squad Building, corner of Orchard and Broadway. Monday, October 25, a workshop will be held from 10:00 a.m. until 3:00 p.m. Anyone who is interested is welcome to come, see the demonstrations and help with them. Materials are furnished, but you may also bring your own. The PTA has several large boxes of material scrapes which might be used for rug-making, barbie doll clothes or whatever. If you can use the material to make something for the bazaar, please call 356-3174. If rides are needed to the Rescue Squad Building, you may call 395-3929 or 356-8035. Anyone who has materials to donate or completed projects, may drop them at the Rescue Squad Building during workshop hours or call for pick up.

Many special activities are planned for the bazaar, including Santa's first visit of the season. The PTAs hope many people will begin making plans now to attend the bazaar and see the many lovely hand-made items which will be for sale. What a pleasant way to do your Christmas shopping!

GRASS LAKE HOLDS PARENT - TEACHER CONFERENCES

On Friday, October 22, 1971, the Grass Lake School will be having scheduled Parent-Teacher conferences beginning at 8:30 a.m. Supt. William Hart said the purposes of the conferences is to establish common goals between the home and the school to meet the educational needs of the students. Hart also reported that the changes in the pupil progress reporting system will also be discussed. All parents are urged to contact the school to arrange for conferences with their child's teacher.

On October 27 and 28 the Grass Lake School invites the public to visit the school in observance of American Education Week. This year's theme is "Help Schools Bridge the Gap." William Hart, Supt. asks that parents sign the guest book in the school office and receive instructions to facilities they wish to visit. Hart reported, that last year 53 parents visited the classrooms and toured the building, this year our goal is 70 parents at a minimum.

"Pop" Ferris Is 80 Years Young

Paul M. Ferris will be 80 years young on the 23rd of October. The celebration was held on the 10th, however. The 250 guests present at the dinner honoring Paul included relatives, friends and members of the Lake Marie Fishing and Boating Club.

The festivities took place at the clubs' Hub Pavillion at 1:00 P.M.

Music for the occasion was provided by the Blue Gill Village Inn Band.

"BREATH OF LIFE" CAMPAIGN REPORTS SUCCESS

Commissioner Joseph I. Woods, Campaign Chairman of the Northern Illinois Chapter's "Breath of Life" Campaign and Chapter President, David Shapiro happily announce that this year's goal of \$175,000.00 has already been surpassed with over \$177,000.00 being contributed. These totals show an increase of over \$10,000.00 from last year's totals.

Commissioner Woods stated that once again the wonderful people of northern Illinois responded to the call for help and have given generously to the fight against cystic fibrosis and related children's lung diseases. It is estimated that there are over 5 million children in this country suffering from a lung damaging disease.

He went on to say that there are still a number of marcher kits outstanding and urge every marcher who has not completed their assignment to please do so now and return their marcher kits immediately as they were instructed.

SCIENTISTS CLOSER TO UNDERSTANDING GLAUCOMA

Glaucoma, a leading cause of blindness, can now be diagnosed and treated more effectively than ever before, according to the Illinois Society for the Prevention of Blindness. Of all the diseases affecting the eye and causing blindness, scientists seem closer to an understanding of its mechanism than that of any other unsolved eye condition. Those over thirty five should have an examination by an eye doctor at least every two years, because it is during this time of life that glaucoma is most likely to develop.

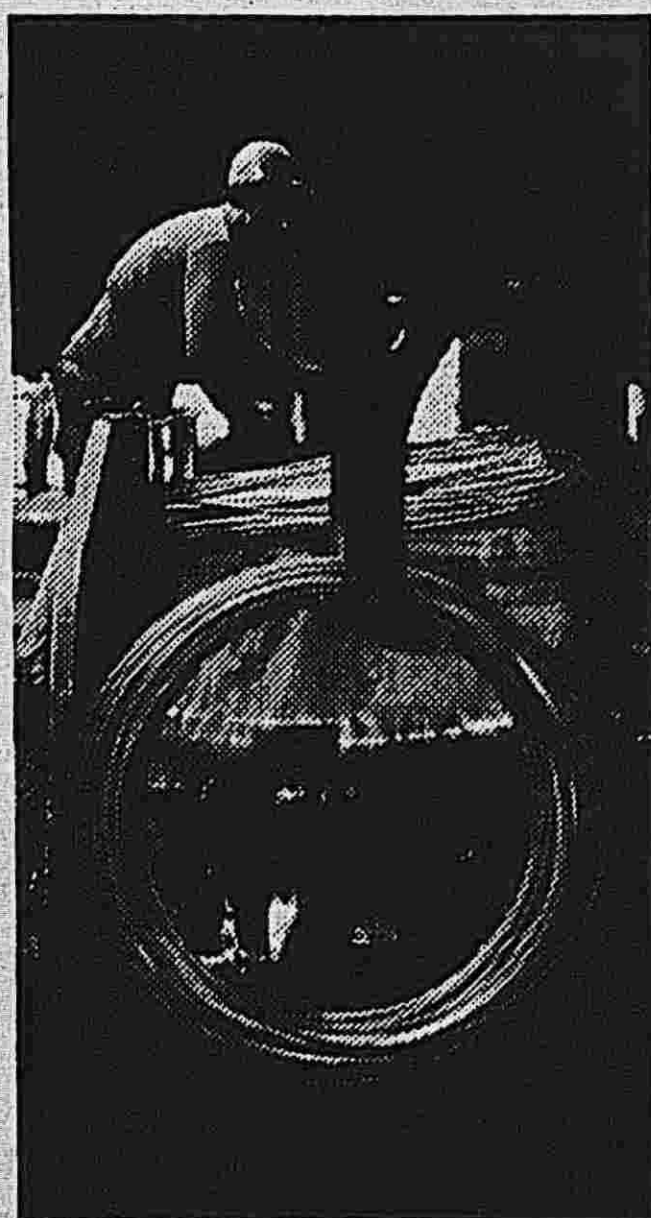

Old steel is recycled here.

Scrap metal bales are loaded for processing.

The electric furnace melts the scrap into white hot liquid.

And out comes coiled rod stock ready for reuse.

Steel that used to rust into junk can now be processed into new steel.

It's called recycling and it's one answer to pollution.

Recycling is more than just a method for solving a disposal problem—it conserves our natural resources. Junk autos, for instance, are compressed into bales. The steel fragments are separated from the brass, copper, aluminum, rubber, wood and glass. Then the steel pieces are ready for the furnaces, where they're melted back into new steel.

The machinery used—the furnaces, electromagnets, conveyor belts, cranes—is powered by electricity. Electricity is the power behind recycling.

We're proud that electricity helps make all kinds of recycling possible. Because reducing litter and conserving resources is as important to us as it is to you.

SUSAN STRINGER PORTRAYS FRADEL AT IWU

Susan Stringer, daughter of Mr. and Mrs. Earl Stringer of Stringer Dodge, is playing the role of Fradel in Illinois Wesleyan University's production of "Fiddler on the Roof," October 14-23 and 28-30.

The Jerry Bock-Sheldon Harnick musical based on a book by Joseph Stein set performance and attendance records at Wesleyan as it

opened the 1971-72 drama season in McPherson Theatre.

The Show was a sell out before opening night. Three extra performances were added, also before opening night, to try to accommodate the extremely heavy demand for tickets.

Miss Stringer is a sophomore drama major at IWU. She is a 1969 graduate of Antioch Community High School.

PRIVATE DOUGLAS M. REAM

Army Private Douglas M. Ream, son of Mr. and Mrs. Nicholas F. Ream, Route 5, Antioch, Ill., recently arrived at Ft. Lewis, Washington to begin eight weeks of basic training at the U.S. Army Infantry Training Center.

He will receive instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and Army history and traditions.

Pvt. Ream is scheduled to complete basic Nov. 19.

A capacity total of 627 men and women students are enrolled at Blackburn this semester, according to official statistics released by Donald V. Raley, registrar.

Some 75 per cent of Blackburn students come from Illinois communities, but some 25 other states and 12 foreign countries are also represented among the students.

EASTERN STAR HOLDS RECEPTION FOR HERB PAULI

The Antioch Upper Grade Center was the setting for a reception held by Antioch Chapter Order of the Eastern Star to honor Herbert A. Pauli, newly installed Worthy Grand Patron of Illinois. Approximately 500 persons attended the affair.

Presiding officers of the evening were Mary Bruski, worthy matron, and Joseph Parfitt, worthy patron pro-tem.

Those participating were Lawrence Gilo, Master of Ceremonies; Henrietta and Shirley Gilo, Conductresses; Carrie Pauli, escort; and Emil Kirschbaum, Color Bearer. Music was provided by Margaret Wistrom at the organ and Charles Peterson soloist.

Members, officers, past matrons and past patrons, and members of Grand Chapter Committees of Antioch Chapter were also honored.

There were many dignitaries present who were escorted and introduced: the Worthy Grand Matron of Illinois, 18 Grand Officers of Illinois, a member of a General Grand Chapter (International) Committee, 16 Past Grand Matrons and Past Grand Patrons of Illinois, 13 Grand Representatives to other states, 6 Past Grand Officers of

Herb Pauli Elected Worthy Grand Patron

Antioch Chapter in several offices and as Worthy Patron in 1963 and 1967. He was active on many Grand Chapter committees before being elected Associate Grand Patron at the Illinois Sessions last year. In that office he made over 160 honored visits throughout the State representing the Grand Chapter.

He is a member of Sequoit Masonic Lodge No. 827 where he served as Worshipful Master in 1966.

Antioch Chapter Order of the Eastern Star is pleased to announce it will hold an open reception in his honor on October 16th in the Antioch Upper Grade Center at 8 P.M.

Mary Bruski, worthy matron of Antioch Chapter, also participated in this year's sessions being appointed personal page to the Associate Grand Patron.

Voting delegates of Antioch Chapter who attended Grand Chapter meetings were: Mary Bruski, worthy matron; Lawrence Gilo, worthy patron; Marilyn Lorentz, past matron; Carrie Pauli, past matron; and Herb Pauli, past patron.

Others in attendance were: Lillian Gaa, grand lecturer emeritus; Josephine Kirschbaum, Patricia Polsgrove, and Wayne Polsgrove, past matron and past patron; and Jim Bruski, Jeane Burns, Edlith Clark, Mildred Gillum, Frieda Kersten, Agnes Lundsford, Sophie and George Schabow, Betty Vanderkloot, Harriet Wennerstrom and Alice Wiegref, all officers and members.

The Grand Chapter of the Order of the Eastern Star of Illinois held its 97th annual State sessions October 4, 5 and 6th at Medinah Mosque in Chicago with 2,795 members being present.

Each year the officers gather formally with the delegates for reports of the past year, to review the by-laws, and to prepare the business for the coming year. At the close of the sessions is the election and installation of the officers who will serve for the ensuing year.

This year the distinguished honor of executive presiding officers were voted unanimously to Ada Mae Buelow of Chicago, Worthy Grand Matron, and to Herbert A. Pauli of Antioch, Worthy Grand Patron. They will oversee the State business of the Order and attend to all official functions at that level this year.

Herb has served the local

Illinois, 59 members of Grand Chapter Committees, 74 Associate Matrons and Associate Patrons of constituent Chapters, and 6 Past Masters of Sequoit Masonic Lodge in Antioch.

The Honorable Mayor Raymond Toft was introduced. He delivered a humorous talk, congratulated Pauli on attaining his high office and presented him with a plaque from the Village of Antioch. It read: "Presented to Herbert A. Pauli, to one who gives of himself always, from Village of Antioch."

Refreshments were served in the dining room following the meeting by the Rainbow Girls under the direction of Patricia Polsgrove, committee chairman.

CLC BOARD ADOPTS

71-72

OPERATING BUDGETS

The Board of Trustees at the College of Lake County adopted operating budgets for the 1971-72 academic year at the regular meeting, September 28, 1971. A public budget hearing, as required by law, preceded the regular meeting.

Appropriations for the educational fund, used for instructional purposes, total \$3,751,806, and for the building fund, designated for physical plant operation and interim facilities payment, total \$868,450. The legal maximum tax rate for these funds are 13 cents and 6 cents respectively as approved by the voters at the time the college was formed. The actual rates for 1971-72 are slightly below the maximum with .128 cents for the education fund and .059 for the building fund.

Dr. Richard Erzen, college President, pointed out that in line with fiscal responsibility these budgets are not spending budgets and every attempt will be made to keep expenditures within anticipated revenue. If this cannot be achieved, it will be necessary to utilize the balance of cash on hand in each fund at the beginning of the year to meet expenditures. But, if these cash balances can be maintained, it will defer the need to increase taxes or tuition as a means of obtaining needed revenue. The Board and administration will make every effort to continue to provide, at the lowest possible cost, the best comprehensive educational program to the junior college community.

As evidence of continuous concern with the future financial picture of District 532, the Board of Trustees approved the formation of a committee to prepare a Long-Range Financial Plan for the college. The committee, with membership, selected from the Board of Trustees, college administrators, faculty, and residents of the college district, is directed to study the financial basis and needs of CLC through 1980.

MISS ILLINOIS TEEN AGER APPLICATIONS AVAILABLE

Applications are now being accepted for the upcoming McHenry and Lake County Teen Ager Pageant to be held April 29 at the Mirian Central Catholic High in Woodstock, Ill. Girls from these two counties are eligible to enter if they are between the ages of 13-17, and there will be a girl chosen from each location to be winner - Woodstock, Harvard, Wauconda, Lake Forest, Marengo, Antioch, Crystal Lake, etc.

Judging is based on scholastic achievements, civic contributions, poise, personality and appearance, and it is not a talent or bathing suit contest. The pageant is recognized by educators across the country as an outstanding, worthwhile contest for the teen agers.

Winners from these areas, chosen at this pageant, will go on to the Illinois State Finals for 1972 and their expenses will be paid. Current Miss Illinois Teen Ager is Ann Bossingham of LeRoy, Illinois. This year 89 girls from all over the state of Illinois participated in the 8th annual Miss Illinois Teen Ager Pageant in Springfield.

Applications may be obtained by writing Regional Headquarters, 126 Bunn Drive, Rockton, Illinois 61072, and in a few days will be available from schools throughout the area.

Ten Tips for Fall Planting

By following these simple gardening tips now, you can have an eye-catching display of beautiful flowers next spring.

1. Order early to be certain of the best selection. Plant immediately after bulbs' arrival. If not possible, open the bags and store in a cool dry place until ready to plant.
2. Buy good quality Dutch bulbs. They're specially selected and have to pass stringent Department of Agriculture examination.
3. Plant your bulbs in well drained soil. Fork in sand, peat or vermiculite to improve drainage if necessary.
4. Plant before frost hardens the ground. Daffodils and minor bulbs should be

planted as early as possible. Tulips and hyacinths can be planted between September 1 and December 15. In the South, bulbs can be planted one month later.

5. Bulbs should be planted, pointed ends up, 6-8 inches deep for daffodils, tulips and hyacinths and 3-4 inches deep for crocuses, muscari and most other small bulbs.

6. Water the planted areas well after planting and also throughout the Fall if there is insufficient rain.

7. Cover bulb beds with a mulch to help retain moisture and retard soil from heaving during the late winter. Remove mulch after shoots appear.

8. Spring flowers that grow from bulbs appreciate having the surface soil about them loosened from time to time.

9. Never leave faded or dead petals to drop as this is bad for the plant and for the soil.

10. Remember that bulbs can be grown anywhere - in beds, borders, shrubbery, rockeries, orchards, woodlands, lawns, on walls, in tubs or window boxes. For really colorful visual impact, plant bulbs in groups or in clusters.

Antioch Runners Loose To L. Zurich

Last Monday, Antioch ventured to Lake Zurich to compete against them and Lake Forest. GARY MANDEHR took first place, but they didn't have enough runners backing him up. The middle got too far behind and let too many Lake Zurich runners by. BOB DODD finished fifth for them running one of his best races all year. The final scores were Lake Zurich 27 - Antioch 30 and Antioch 19 - Lake Forest 44.

The sophomores were beaten by both teams. JIM JANUARY ran a good race for them and finished fifth.

FRESHMEN

BLANKED BY WARREN

Antioch's freshmen put up a stout defense for almost three quarters before Warren scored on their way to a 12 to 0 victory.

The battle was a struggle between two undefeated teams. The Warren Blue Devils now lead the conference with a 4-0 record. The loss dropped the Antioch freshmen to a 3-1 mark. This week will be a busy one for the junior Sequoits as they visit Zion on Tuesday and then entertain Lake Zurich on Saturday.

In the Warren game both teams failed to mount a sustained drive as the defensive units did outstanding jobs. Neither team threatened to score.

Antioch kicked off to Warren to start the second half and the Blue Devils used most of the quarter to drive 65 yards for the score. Several times they barely made their first down yardage. They scored on a fourth and five play as the Antioch defense suffered their only lapse of the game.

Antioch's only threat came late in the game as Kevin Ano passed to Mike Perrone for 29 yards. The Sequoits were unable, however, to move any further as time ran out.

Cross Country

Antioch Cross Country Place 10th In Libertyville Invitational

Nobody was especially psyched up for this meet except our number one runner, GARY MANDEHR. He had to face his roughest competitor and arch rival, Jim Wheeler of Zion-Benton.

Coach told us to try our hardest and finish as respectively as possible. He knew the competition was of the highest caliber, consisting of such teams as Palatine Fremd, Main West, Mount Prospect, Morton East, etc.

I thought the guys ran rather good. We finished tenth out of seventeen teams. Gary and Jim Wheeler made the number one position rough to attain. Last weekend Gary beat Jim in the county meet by about 30 seconds. This time the rolls were reversed and Wheeler won the first place medal. In a way this is good, because next time Gary meets Jim, he will strive harder than ever to beat him.

Conference is coming up and I sure hope the guys really get psyched up and ready for it. Coach said we even got special cheerleaders.

NEW SERIES TEACHES READING TO 3RD & 4TH GRADERS

All "The Electric Company" wants to do is "turn-on" kids -- to learning, that is.

A new TV color series designed to teach reading to third and fourth graders, "The Electric Company" makes its debut on Chicago's educational outlet, station WTTW. Starting October 25 it will be seen weekdays from 1:22 to 1:52 p.m. and again from 4:30 to 5 p.m. The five half-hour programs will be repeated on Saturdays from noon to 2:30

p.m. as a public service by Commonwealth Edison Company.

Produced by Children's Television Workshop, the group that brought toddlers the award winning "Sesame Street," the show is aimed at a more sophisticated group than its predecessor. In this case it's seven-to-10 year-olds and the difference is reflected in an approach which employs fast action, humor and music.

Headlining the cast are Emmy Award-winner Bill Cosby and Rita Moreno, who won an Academy Award as best supporting actress for her role in "West Side Story." There is no end to human and animal cast members who lend a learning hand. One such is a glamorous glowworm named Gladys who gives kids a lesson in "g's" -- Gladys glows alone until she meets Glendon who lights her fire. Says Gladys of Glendon: "Groovy."

Then there is Fargo North, a master sleuth wrapped in a trench coat, who "decodes" messages while you wait.

Psychedelic letters in fluorescent colors dance randomly on the screen to tease youngsters to read.

Cast members with words on the bottoms of their shoes, point their feet at the screen, put their feet together and make sentences. The learning is peppered with electronic tricks, gags and rock tunes. There's even an electronic "kid combo" composed of youngsters the same age as the audience they're trying to reach.

The show is practical too. A film shows street signs, traffic signals, billboards and store posters. Young people are urged to read and learn.

The 130 half-hour segments that make up the current season of "The Electric Company" were produced at a cost of almost \$7 million. Primary underwriters for the project were the U.S. Office of Education, The Ford Foundation, the Carnegie Corporation and the Corporation for Public Broadcasting.

THE RIFLES of L.C.

The Lake County Rifles are quickly drawing to a close their 1971 season as one regularly scheduled game remains against Delavan this Saturday at Delavan.

Should the Rifles beat the Red Devils, there would still be a tie for first place in the Southern Division between Lake County and Rockford.

Delavan's loss to Madison this week-end placed them, Lake County and Rockford in a three way tie this week.

The last time Lake County played Delavan, they beat them to the thump of 26-6. However, Delavan has greatly improved since their last encounter with the Rifles.

Red Devil quarterback Bob Berezowitz was able to chalk up 124 yards in the air the last time he faced the Rifles with such receivers as Greg Jones, Jim Knoblauch and Mel Cushing who did their share of damage against the Rifles that game.

It seems as though the Rifles will have to be more concerned about containing the aerial attack, as the Red Devils only ground out 61 yards during the last Saturday encounter with the Rifles.

The Rifles need to regain the momentum they picked up in the Rockford game, and to pick up their passing attack, which just came of age late in the season. Flanker John Pecaro is back in the Rifle line-up after being out for most of the season with a pulled hamstring. He could be the deep threat the Rifles need, along with Bill Potter or Mike Jurewicz.

The Rifle ground game has been fairly consistent all season, usually moving well on the ground every contest. The defensive line has added a new member in Bruce Smith, a defensive lineman from the University of Colorado. Smith

put in a good performance last Saturday against Racine in his first starting appearance with the ball club.

The Rifles will have their regular two practices this week in preparation for the upcoming game against Delavan. This game will tell the story for the Rifles. A win would mean a play-off game for the divisional title. A loss would leave the squad with a very disappointing 5-5 season.

The Lake County Rifles became the victims of the Racine Raiders 14-7 Saturday night on their way to what might be a divisional championship. The southern division now has a three way tie for first place among Rockford, Delavan and Lake County.

Rifle Head Coach Jerry Sandberg could only shake his head and say, "We played very poorly. Our passing was very flat, among other things."

But it wasn't only the lack of a passing game on the part of the Rifles, but the 225 yards the Raiders picked up in the air credited to quarterback Dick Laba. Five of his 14 completions were to Ron Anton, and 4 were to Larry Weiss, one of which was a touchdown pass.

The Rifles picked up their only score in the first quarter. Bruce Swanson got off a 40 yard punt which was fumbled by the Racine receiver and recovered by Ken Kratz on the Racine 5 yard line. The score came a couple plays later when Karl Maio scored from the 1 yard line. Frank Gelling added the extra point for the Rifles.

Maio also scored another touchdown in the third quarter which was nullified by an illegal procedure penalty call on Lake County. Two plays later there was a clipping call against the Rifles, and before they knew it they were back on the 36 yard line with Frank Gelling attempting a 46 yard field goal which was no good. Prior to the field goal attempt, Ron Jurewicz threw a pass to brother Mike in the end zone

which grazed his fingertips, and again the Rifles failed to score a touchdown.

Ron Jurewicz had a good night rushing with 15 carries for 87 yards and a 5.8 average for the evening. As far as the passing game was concerned, quarterback John Dobbs only completed 7 of the 23 passes he attempted for 77 yards and two interceptions.

The Rifles had a drive start late in the fourth quarter which had them near the Racine 30 yard line when one of Dobbs' passes was intercepted by Tony Koenings with 1:40 remaining in the contest.

Raider scores came on a 10 yard pass play from Laba to Larry Weiss, and on a one yard run by Bruce Bray. Bray's score did not come until about six minutes were played in the fourth quarter.

The Rifles final regularly scheduled game will be this Saturday against the Delavan Red Devils at Delavan.

Standard Shooting Hours

The Illinois Department of Conservation has devised a standard shooting timetable for this year's hunting season.

"In the past we have always said sunrise to sunset," said Henry N. Barkhausen, Director. "But sunrise on the west side of the state differs approximately 12 minutes from sunrise on the east side of the state, and this has always been very confusing to hunters who travel any distance to hunt. With the new hourly tables, hunting will begin and end at set times throughout the state. This change was made for the benefit of the hunter. Now every sportsman will know when to begin and stop hunting. In the past there was confusion."

EMMONS ROLLS PAST GRASS LAKE

Emmons made a shambles of what was expected to be a close game with rival Grass Lake School.

Tom Grego picked off a pass in the flat at the Grass Lake 14 yd. line midway through the first period. Three plays later, Doug Wyatt crashed through the line for a seven yard scoring play.

On the final play of the opening stanza, Wyatt grabbed a Grass Lake punt and outraced everyone to the goal line. John Kakacek Jr. added the extra point.

To open the second period Emmons kicked to Grass Lake. On the first play Jon Bodin intercepted a pass and ran to

the 7 yard line. A motion penalty put the ball back on the 12 yard line. Doug Wyatt got the call on the same play that brought the Raiders their first score. This time Wyatt sped through the line to give Emmons a lead of 19-0.

The Raiders took the ball over on a punt and marched 48 yards in five plays to score. Bodin scoring on a 5 yard sneak. Bodin added the PAT on the same play.

The following kickoff was all Grass Lake had to cheer about all night. Rich Bailey ran the ball all the way back for the score.

In the second half, Emmons dominated play completely with its ball control game. The Raiders, however, added one score while running out the time. Dave Lagerstrom flew around left end on the end around to complete Emmons victory 32-6.

Sophs Wage Battle

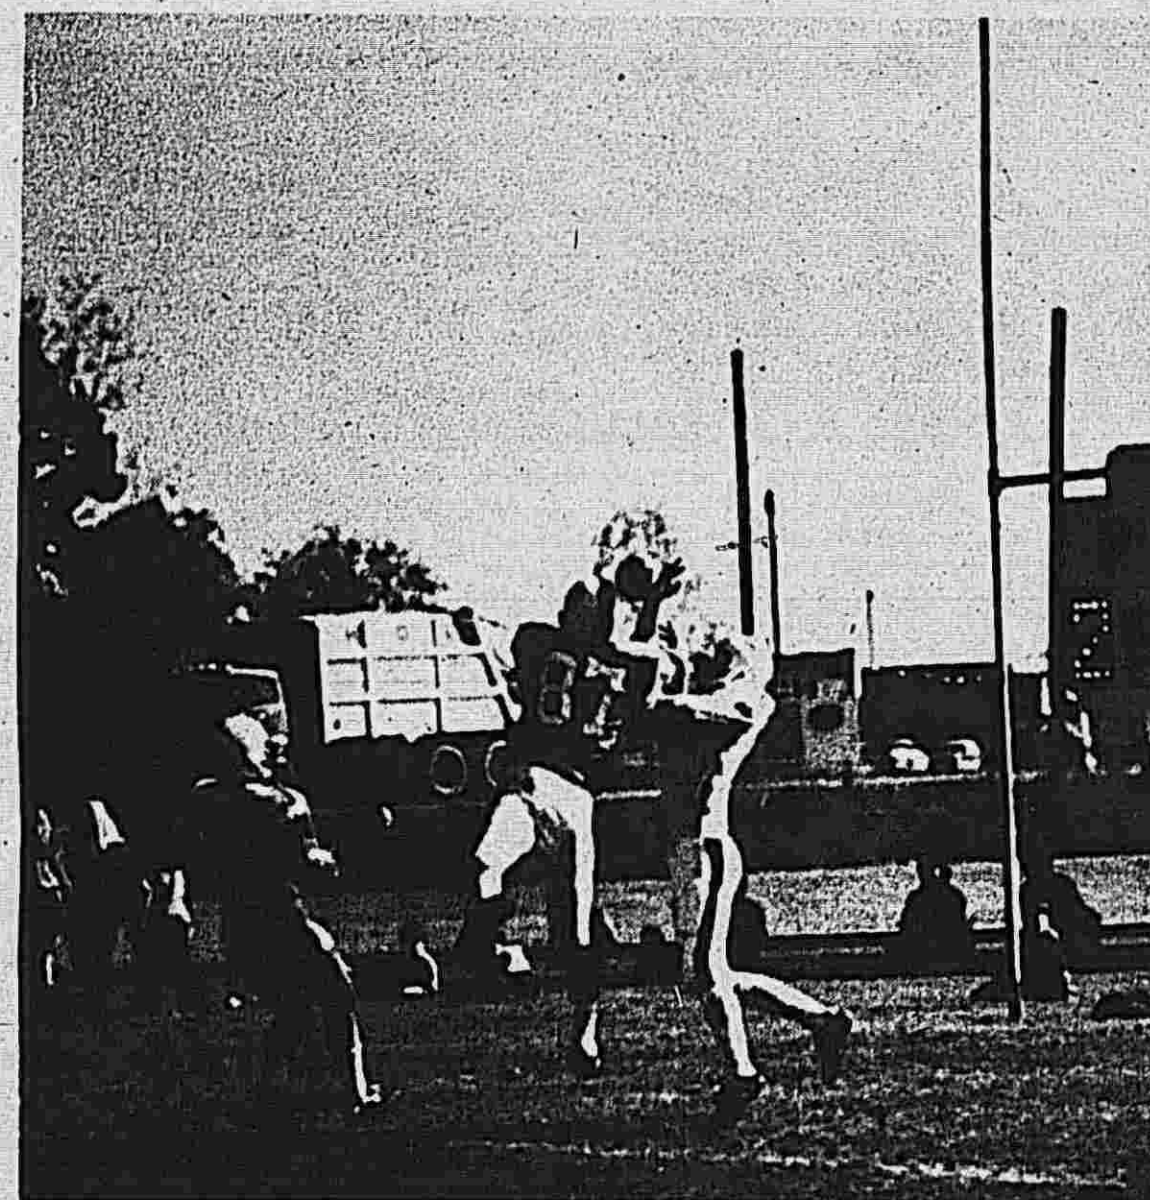

The Antioch Sophs waged a tremendous defensive battle against Warren which lasted 38 minutes before anyone scored. At that time it had to be Warren. The score came on a fluke pass play which almost went off the field and was tipped by an Antioch defender.

Tom Pocrnich led the defense with eleven tackles and five assists, plus a fumble recovery. The fumble was gathered in early in the third quarter when we had to break their spirit. Bob Bailey intercepted a pass during the fourth quarter, which also snuffed out a drive for Warren

on the 12 yard line.

Fifteen Soph footballers shared the tackling with Jeff Wis and Tom Pocrnich both getting more than ten. This outstanding defense held Warren to less than 50 yards rushing and passing in the first half.

On offense we sustained only one drive which covered about fifty yards. This drive ended on the Warren 49 yard line. The longest run of the day came in the fourth quarter by Mike Gutowski. Bill Armstrong carried for 45 yards to lead the offense.

Jim Revell (No. 87) goes high but is bracketed by Blue Devil Defenders Who Break Up Pass.
